TO THE PEOPLE.
The high tuition exacted by professors of music has placed its acquirement in the hands of comparatively few, and beyond the reach of many. Hundreds of dollars are sometimes spent in obtaining a knowledge of music, and many who are prevented by circumstances. The public demand a change. In the interest of THE PEOPLE we have arranged a system of classes for the piano, organ and guitar, whereby the youth of our city who have not already engaged teachers, can have an opportunity of learning music, with a fair prospect of obtaining a thorough course at much less expense than by the old method of individual lessons. Those preferring the latter can also be accommodated at reasonable rates. We have noted with pleasure the good work of Brother Evan Stephens. His success should encourage us all to work for the good of the people at large. The twenty-one pupils selected from the Sabbath schools for one term on the organ gratis were to have commenced this week, but owing to a few wards not reporting, those classes will delay until next Monday, when it is hoped all will be ready. Our terms to additional classes will be 20 cents per lesson for each pupil on either instrument—piano, organ or guitar. Two lessons per week. A few more will be received in THE TELEGRAPH CLASS at 10 cents per lesson.
Respectfully,
FLORA SHIPP HILL,
